YOUNG people in Bridport at risk of homelessness have an additional lifeline after a housing association acquired three new properties in the

The news comes just weeks after support for vulnerable youngsters from the Bridport Foyer was secured. Bournemouth Churches Housing Association (BCHA) is leasing three new-build houses in the town, offering them to at-risk young people aged between 16 and 24-years-old.

In April this year BCHA was commissioned to pro-

STEPHEN Lovett lives near Lyme Regis, where he runs Hill Barn Cottages, a self-catering business, with his wife Heather and 17-year-old twin daughters, Sophia and Freya.

Originally from Bath and having spent most of his life in Camberley, Surry, Stephen and Heather used to visit Dorset regularly and grew increasingly fond

In 2007, a change in work circumstances coincided with their daughters moving to secondary school and the family decided to take on Hill Barn

Stephen in now chairman of the Lyme Regis and Charmouth Hotel and Restaurant Association, and treasurer of the recently formed Lyme Regis Busi-

#### WHY did you take on Hill Barn Cottages?

This was all part of our move from Camberley. Hill Barn was already established as a successful holiday business, with two self-catering cottages on site and the main house being used for bed and breakfast. As we really needed the space, we dropped the B&B straight away and just continued with the cottages. It still makes us smile when we think about the cottage guests seeing the removal lorries arriving half way through their holiday!

What did you do before moving to the area?

I qualified as a Chartered Accountant in 1990 and quickly moved into industry, spending the next 17 years in the commercial vehicle sector - initially as financial controller and ultimately as managing director. Soon after moving to Lyme, I became involved with a new Exeter-based business consultancy, SouthWest FD, and now provide financial and general management support and coaching to businesses on a part-time basis. Working mainly with small and growing businesses from a many different sectors provides me with great variety and flexibility in my work and is incredibly satisfying when I see my input making a real difference.

#### What do you think puts Hill Barn apart from other self-catering properties in the area?

Both of our cottages are now graded as "4 Star Gold Award". Heather is undoubtedly the main differentiating factor. She looks after the guest side of our cottage business, paying great attention to detail and doing just about anything to make sure our guests enjoy their stay Our guests' comments pay testament to this, as does our high number of return visitors - some now treating Hill Barn as their second home and Heather and me, along with our daughters and dog, as their extended family!

HOW did you become involved with the Hotel & Restaurant Association, and the new Lyme Regis **Business Group?** 

The previous owners of Hill Barn encouraged Heather to join the Hotel & Restaurant Association where she found

great support and made lots of new friends. In January 2010 I joined their committee as treasurer and three vears later was elected chairman.

In July this year, and following much discussion across the various existing business groups, the new "all inclusive" Lyme Regis Business Group was formed, to represent the interests of all businesses operating in Lyme. Having been instrumental in its formation, I was pleased to continue an active role on their Executive Committee and as treasurer

#### HOW do you think these types of groups benefit local businesses?

I see the key aim of both groups to be much the same to protect and grow the Lyme Regis economy for the benefit of their members. The groups help to promote the town of Lyme and the businesses operating therein to the local, national and international audience. They also act to protect the best interests of their members through effective campaigning as and when appropriate - current issues include bathing water quality and various aspects of parking.

#### DO the groups have any promotions or special events coming up?

Although only formed at the start of the Summer. the business group is already making a real difference in Lyme. We launched the "Love Lyme" newsletter last month and are now busy driving Lyme's biggest ever Christmas sales drive. Badged "Yuletide Lyme", the campaign launches on Saturday, November 30th with the unveiling of 'Windows Wonderland', for which the fronts of businesses around the town will be professionallypainted to depict scenes from "The 12 Days Of Christ-

#### WHAT do you like about the local area?

Just about everything really, and at all times of the year - the extremes of the event-filled peak holiday periods and the absolute calm at other times is something that really appeals to me.

#### WHAT do you think it's missing?

Not much really, although I would love to see a more harmonious town council and better parking facilities in the

## **Funding boost for Aspire project**

THE work of a Bridport-based community project is to be extended for a further year after a recent funding award.

The cash injection from Dorset Adult Learning will also mean an extension to the Aspire project, which helps people aged 19-years-old and over through the Neighbourhood Learning in Deprived Communities programme.

The Aspire project, which is organised through the voluntary community company BEST (Bridport Enterprise Community Training Ltd), aims to get young people without jobs into work. It has proven so successful it now also offers help in Dorchester, Sherborne, Weymouth and Portland.

According to project designer Arthur Woodgate there had been concern that when adult learning departments from Dorset, Bournemouth and Poole merged to create the Skills and Learning organisation there may have been a shortfall in

However a grant of almost £5,000 has secured the project well into 2014.

Mr Woodgate cited the "professionalism and creative effectiveness" of Aspire's co-ordinator, Charolotte Storey, as an integral part of the project.

He said: "Thanks to Charlotte this work has been quite outstandingly successful.

He said: "For me it is not just about the units of accommodation. When we're looking at young people it's about investing in their futures because there are people that come through this system who have the ability to get employment. They're people who won't be dependent on social housing or benefits but people who will make good choices in the future, which is really key.

"I think for the local community this could be really important.'

### No excuse' officers surround town

BRIDPORT had a one-day blitz by enforcement officers on Wednesday in an attempt to remind motorists of the importance of road safety.

Nearly 90 motoring offences were detected in the town by teams of 'No excuse' officers in the latest 'Surround a Town' event, which targets people on the road who flout the laws.

The initiative forms part of the 'No excuse' project, which aims to reduce the number of people killed and seriously injured on Dorset's roads.

Rob Smith, road safety education manager for Dorset County Council, said: "What this project does is to focus as much attention as possible on the evidence and intelligence that is gathered, which might be particular routes or locations, and in general work with the public at large to reduce

"We need public support otherwise we can't do it. Road safety is everybody's responsibility and that is cruicial."

A number of activities took place throughout Bridport as part of the campaign day.

Cycling safety was explored, with the Headway charity promoting the importance of wearing cycle helmets and the Cycling Sports Group demonstrating cycle engineering skills. Staff at Balfour Beatty attended to raise awareness of the risk of inappropriate driving when road workers are carrying out their duties, and the town was also visited by the Dorset Rescue Service Fire Events vehicle and award-winning 50/50

PURSE thieves are still operating in Bridport with another incident reported to police last week.

On Tuesday, November 19th, a purse was stolen from a shopping trolley as a customer shopped in a Bridport store.

# Help at hand on how to keep warm this winter

GUIDANCE on switching energy suppliers and staying warm this winter was on offer in Beaminster during the first of a series of free drop-in sessions yesterday.

Dorset Action Community (DCA), with sponsorship from Magna Housing Association, set up in the Skyrm Room at the Public Hall in Beamninster to provide advice and information on where to get help.

Many people are now finding the combination of rising fuel costs, low income and poorly-insulated rural housing a real problem, the organisation said.

Alex Picot, chief executive of Dorset Community Action, said: "Many families will be thinking about how they can cut their energy bills. These events are a good place to start, with plenty of advice and ideas.

"Evidence shows that rural households are twice as likely as their urban counterparts to struggle to afford to heat their homes, due to lower than average incomes and houses that are less energy efficient.

"Dorset Community Action is experienced at working with communities to help them stay warm and use energy more efficiently.

"We ran various events last year and we hope that people will come along to these informal drop-in sessions, which are designed to give the most relevant information for Dorset residents. So please look out for further information and dates on our website www.dorsetcommunityaction.org.uk"

Ken Bodycombe, community investment officer at Magna Housing Association, said: "We think it's vitally important for our Magna residents to save money this winter and we extend a welcome to the wider

public to share in this information, the more people who can benefit the better."

DCA hope that people will come along to discuss their own individual energy needs and take part in an energy saving quiz.

A free energy saving appliance, provided by Dorset Energy Advice Centre, will be available at these events

### Healthwatch week

NEXT week a Dorset health watchdog is running a series of events to promote its services.

Heathwatch Dorset Week is being held from Monday, December 2nd, until Friday, December 6th, in an attempt to publicise the organisation's role. According to the group, they give people a voice over the quality of heath and care services.

Following reorganisation within the NHS a series of bodies were set up to act as champions for consumers of health services, and Healthwatch Dorset is interested in hearing about people's experiences.

Healthwatch Dorset will use stories from the public to hold the service providers to account and seek improvements where required.

The group is also able to provide information about what services are available and how to access them.

The Citizens Advice Bureau (CAB) is

a key partner in Healthwatch Dorset. Martin Paley, Bridport CAB manager, said: "In a number of cases a problem with health or care issues is part of a wider picture, related to problems with employment, debt, housing and claiming benefits.

"In addition people also contact us with specific queries on their health or care needs.

"Given the rapid changes to the NHS and the complexity of local authority care services we anticipate seeing these advice needs increase."

Bridport CAB, in South Street, will have a display about the Dorset watchdog, and handouts will be available with information on key contacts in the reception area. The opening hours are 10am to 3pm, Monday to Friday.

For more information on Healthwatch Dorset visit www.healthwatch dorset.co.uk.

Still time to have your say

■ AS YOUR readers may be aware, Dorset Police and the Office of the Police and Crime Commissioner have been examining all areas of the Force to identify and deliver savings in the face of ongoing cuts to the policing budget.

As part of this, the provision of Counter Services has been reviewed and at the beginning of October we launched a consultation process with the public and public sector partners in relation to how this service may look in the future.

We have had a very positive and understanding response so far which is helping us achieve the balance between meeting public expectation and the funding shortfalls, while protecting frontline polic-

idents are now expected to flood into Bridport, and at the same time it seems that our district council is thumbs up for building right over Bridport's most central car park, an area of Outstanding Natural Beauty and our largest employment site.

Even St Mary's School is no longer in the planner's preferred site. Demolish that and you have another great housing opportunity. And don't be fooled into thinking that it will necessarily house local people.

Now that plans have been revealed to close the Bridport Police Station, purpose built only about ten years ago - or its front desk where people can still report a crime - perhaps we should now start praying (before the church is removed as in Dorchester) that the elusive Big Society will produce

Collectively, all these items, still in the Draft Local Plan, are guaranteed to cause an increase in unemployment, congestion and disenfranchisement.

Perhaps that is why the plans are hard to access by concerned citizens, and even harder for the community to have an influence on.

### Christmas offerings at Washingpool Farm

A BRIDPORT farm shop is getting into the Christmas spirit with a series of offerings starting this week.

The festive feeling at Washingpool Farm Shop, on Dottery Road in North Allington, starts with their annual Late Night Festive Opening evening, with mulled apple juice, mince pies and Christmas presents on

The event, which takes place on Friday, November 29th from 6pm-8pm, is free and open to all. This year a number of the producers who work with the shop will be there to answer questions and provide tasters, including Furleigh Estate Wine, Four Seasons Preserves and Bridport Gourmet Pies.

Simon Holland of Washingpool Farm said: "There is a great atmosphere at our festive evening. The shop and restaurant are cosy and welcoming and it is an ideal time for customers old and new to chat with us and the producers

"We have singers from Broadoak Choir this year led by Chris Reynolds, and customers can take part in our Christmas Challenge hidden in the decorations. We are also branching out with present ideas including local hampers, gift sets from Filberts Bees and handcrafted cheeseboards from SittingFirm.'

Yuletide offerings continue into December, with Washingpool's Farmers Kitchen Restaurant opening its doors for Christmas party bookings, with a selection of dishes using locally-sourced food.

A visit from Emma Macdonald of The Bay Tree is taking place closer to Christmas as she looks to promote her new book, The Bay Tree Home Deli Recipes. Ms McDonald will demonstrate how to make home-produced delicacies as well as transforming deli-bought ingredients into memorable dishes on December 14th. She will also provide canapés using recipes from her book and take part in a book signing.

### Campaign to stop domestic abuse

YOUNG people and domestic abuse within their own relationships is the focus of a countywide campaign this week, *writes BENJAMIN PARKER*.

According to Dorset County Council, young people can often have limited experience with relationships and can be unaware of how unhealthy their attachment is.

The campaign, running this week until Friday, November 29th, is targeting people aged 16 to 18-years-old.

A number of events have been planned by local councils, Dorset Police, specialist service providers and the Domestic Abuse Forums across the county to support the campaign and to raise awareness of domestic abuse in young peoples' relationships during the awareness week.

Councillor Ray Nottage, chairman of the Dorset Community Safety Partnership, said: "Tackling domestic abuse in all its forms is a priority for the Dorset Community Safety Partnership and its partners.

"The national definition of domestic abuse changed earlier this year to include those aged 16 and over and we feel it is timely to focus locally on how young people can be affected in their own intimate relationships"

"Our message to young people who find themselves in abusive relationships is that you're not alone, it's not your fault and help is available. The good news is that help is available both for young people and those who care for and about them.

"Young people can talk to their parents, teacher or someone else they trust or can access support directly from websites or national and local helplines.

"All young people have the right to live their lives free from abuse of any sort."

Advice for young people can be found at www.the hideout.org.uk or www.thisisabuse.direct.gov.uk

Alternatively people can call the National Domestic Violence helpline on 0808 2000247.

A WEST Bay couple have raised £1,500 for victims of the Philippines typhoon.

Joe and Helen Taylor, from the Riverside Restaurant, West Bay, walked from the Ferry Bridge in Weymouth to West Bay, highlighting the plight of the victims of Typhoon Haiyan.

The tropical cyclone, known as Typhoon Yolanda in the Philippines, was one of the deadliest typhoons on record, killing over 5,000 people.

Joe felt that they needed to do something to help those who had lost everything in the tragedy.

Helen, who is from Silay City, on Negros Island in the Philippines, said: "Having seen the devastation we were desperate to do something to help those that are suffering.

"Not having surplus funds we decided to do a sponsored walk to raise funds for the ABS-CBN Foundation in the Philippines -unpaid volunteers who are already working in many affected areas."

The couple received sponsorship from the Riverside Restaurant, as well as donations from diners and friends.

The walk took them seven hours to complete, and over £700 of the money they have raised has already been transferred directly to the Philippines.

Further donations can be given through their Just Giving page by visiting www. justgiving.com/Joe-Taylor2

THE members of the Bridport and District University of the Third Age's (U3A) newest group have knitted together really well.

Members met at Rosie Shelton's Bridport shop, Bridport Yarn, in South Street. The group will meet their every two weeks, with each session starting at 2:30pm. Ms Shelton, who organises knitting and crochet workshops and courses at the shop, says she is happy to take on the new U3A group to help build a community of happy knitters.

Five members have signed up, although one was unable to attend the first meeting, and there is room for one more.

Jan Kelly, who attended the first sessions, said: "I used to do a lot of knitting but other things came along and it lapsed, but this new group and the friends who belong to it are just the spur I needed to make me want to pick up my knitting needles again."

### Three candidates stand for Bridport North council seat

on Bridport Town Council, with residents taking to the polls next Thursday.

The Bridport North seat is being contested

by Richard Nicholls (Labour), Frances McKenzie (Conservative), and Anne Rickard (Liberal Democrat Focus Team).

The election will be held on Thursday, December 5th.

The election was triggered by the resignation of Lauren Glover, who had to leave the area for work reasons.

Only 22-years-old when she was elected, Ms Glover, a Liberal Democrat, has been a Bridport town councillor since May 2011.

#### **RICHARD NICHOLLS, Labour**

"IN OFFERING myself for election to the town council, I would bring the experience of having previously served as a councillor, and importantly a wide understanding of planning

the town, keeping Bridport special, and look to future investment for improving the town rather than a quick profit for developers

"For me affordable housing would be a priority to ensure that the town retains a young and vibrant local community, and that these young people are paid a living wage.

"At present the pay of Dorset full-time workers is at least 5 per cent lower than the national average, which is totally unacceptable.

"As such I will argue for future investment that will bring both housing for need, decent, well paid jobs for local people, and in doing so retain the special atmosphere that draws so many tourists to Bridport.

"I will also bring a fresh approach to the town council, arguing for those who are subjected to the worst of Coalition government

"If these cuts are not opposed the rich will get richer, and the poor increasingly poor.

"Privatisation and deregulation of the 'welfare state' is not improving matters and they are not only undermining the NHS, but leading to cuts in public transport and an increasing number of working people relying on food

"At present the town council is dominated by councillors associated with the Coalition, and in giving me your vote, it will enable me to directly challenge on your behalf what is happening to our society, rather than making excuses for present government's policies."

#### FRANCES McKENZIE, Conservative

"I HAVE lived in the North Ward for 22 years, in East Road and then Orchard Avenue.

"I understand how the town council works having served on it from 1995 to 2011.

"During that time I was honoured to be Deputy Mayor and vice-chair of the Finance and General Purposes Committee for two vears in both roles

over 15 years and now run Rainbows as well (for the younger ones).

"For many years I was secretary of Bridport Young Peoples Action Trust - helping young people

"I have been on the organising committee of the Charter Fair for several years and presently serve as chairperson.

"I can bring experience to the town council and extra weight as a district councillor.

"I hope my record shows my commitment to serving you. Having lived here for over 20

years I know the town and its needs.
"I raised my children here who both attended Bridport schools and involved myself in the voluntary work that is such an important part of our community.

"I believe that all town councillors of whatever party mean well but they don't always get it right. For two years running the town council has felt it necessary to increase its

"If elected I will support and champion those things that local residents value but I will also support ways of delivering those services without substantial increases in council tax."

#### ANNE RICKARD.

#### **Liberal Democrat Focus Team**

"I'M 64, married, mother of three, grandmother of nine.

"I was a PA in Kent before we moved to West Dorset 24 years ago to live 'The Good Life', living simply and 'lightly', bringing up our young son, founding the Dorchester LETS group and furthering my singing career. Seven years ago Bridport beckoned.

"As the wife of a councillor I've been impressed by the energy and results achieved by the elected members of the Lib Dem Focus Team and officers of the town council, and now feel moved to join these people in working together in Bridport's best interests. If you doubt me, go to any council meeting and see for yourself - that's what I did

"Bridport is a special place with a long history of independence. Caring deeply about all aspects of our community, I want to help make sure that outside influences don't lose sight of Bridport's unique nature.

"As an independent thinker and a good listener, I will take issues forward for discussion and advice, and do my best to get any problems resolved. I will always support the townsfolks' best interests.

"My two-year role as Mayoress to my hus-

by our community, encouraged by our 'can-do' council. I wish to add in my energy and ideas.

"I like to be active in getting things done all my life I have involved myself in the community and here I enjoy working with Bridport ReadEasy, Transition Town Bridport, SW Dorset LETS and Bridport Food Festival. I volunteer as a steward in our theatres too.

"I hope the electors give me the chance to prove I can do a good job as a councillor – I won't sit around doing nothing!"

### New landlords off to a great start at The George

THE new landlords of a West Bay pub are looking to put their establishment on the map – with traditional pub values at its core.

Despite admitting that food is a necessity in the licence trade nowadays, new landlord Christophe Dupuy puts a strong emphasis on the bar, and described their vision for the seaside pub as "a great pub that serves good food rather than a good restaurant that serves great beer."

The husband and wife team of Christophe Dupuy and Kim Hagley have been at the helm of The George for almost two months, and business has been booming.

■ Husband and wife team Christophe Dupuy and Kim Hagley have been at the helm of The George for almost two months

Chris said: "We expected a nice, quiet run up to Christmas as we have lots to get on with, and have to get plans in place for next summer – we were wrong. We have been received so well by the people of West Bay.

"It has been absolutely amazing. In October we served over 4,000 meals. We have lots of views and ideas about how this pub should be, and how it can stay as a local's pub."

Changes have already taken place at The George, with a particular focus on the menu, which has been refreshed and now forms part of a number of theme nights, including a curry night, pizza night, and homemade pie night – all available with a refreshing pint of Palmers Ale or a glass of wine.

Traditional, rustic pies are going to be quite important to the new-look public house, with the landlords hoping it could become their signature dish.

The idea behind the pies is to offer a range of fillings, including steak and ale, chicken and mushroom, and a vegetarian option, whilst preparing them from scratch, which includes rolling out the pastry, filling the individual pie, and baking it.

Mr Dupuy said: "It's something a bit different. Everywhere else seems to do the same sort of thing and we want to stand out.

"Pie is a traditional dish and we will be able to offer something for everyone. Its home-cooking at its best, everything is cooked from fresh right here.

"A lot of places have gone down the

gastro pub route because you can't rely on wet sales alone but that's not us. We want to offer great value throughout the winter months and get people coming in not just once but more and more.

"We recognise that the pub can take care of itself in the summer but we want to keep our strong pub values and keep the locals coming back."

The duo is already familiar with the industry, having taken over The Greyhound Inn in Beaminster over a year ago, in April 2012. In order to concentrate on The George, the Greyhound has been left in good hands, according to Mr Dupuy.

He said: "We've had plenty of time running The Greyhound and it's being looked after by our children and staff, with our guidance. We have very loyal and capable staff, which is of the utmost importance to us. To be able to walk away and leave your business in the hands of our staff shows we can really trust them."

viewonline24/7

Ms Hagley added: "We are really proud of all of them and without them our new venture couldn't have been possible."

### **Pupils learn about importance**

■ GOOD ADVICE: William, Carmen, Faith and Sebastian at Bridport Primary School

PUPILS at Bridport Primary School learnt all about the dangers of the road during a Road Safety Day last week.

All 410 children at the school took part in the day, which saw some of the normal lessons replaced with workshops and presentations designed to get them thinking about keeping safe when outside of school.

The day began with an interactive talk by Neil Lovejoy and Dawn Dilly of Dorset Police, which encouraged the children to answer questions and gauge how much they knew about potential perils.

Mr Lovejoy said: "Some of the answers the children gave were very good. You've got to get them aware at a very early age of the dangers connected with roads, no matter how they use them. It's important that we try to get the parents involved to back up what we've said."

Mr Lovejoy added that he'd like to thank the school's headteacher, who had made the visitors feel very welcome.

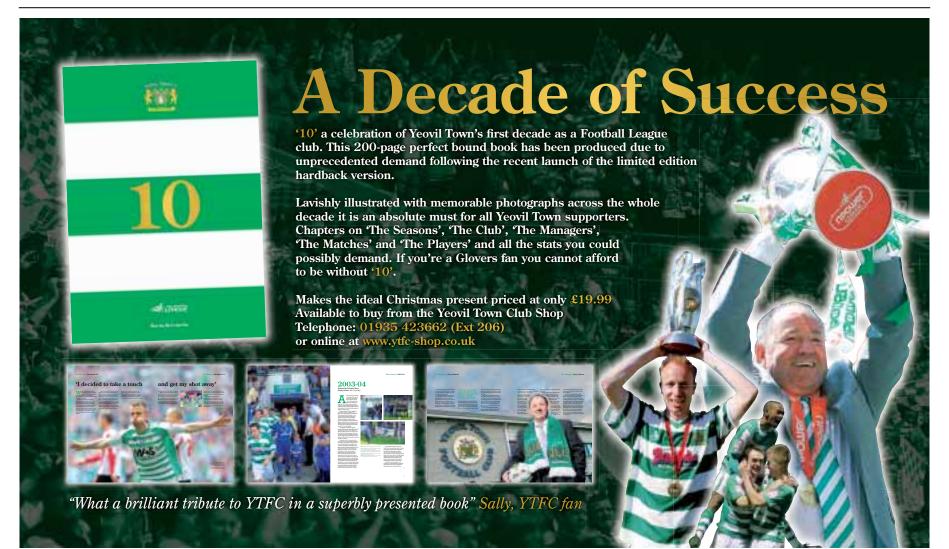

Debbie Brown, headteacher at Bridport Primary School, said: "Our Road Safety Awareness Day was informative and fun. Every child left at the end of the day with refreshed knowledge on keeping safe on the roads, a high visibility bag and a big smile. The road safety officers Neil and Dawn ran a superb day full of engaging activities and shared their great enthusiasm for the work they do."

Prior to the Road Safety Day the school had been running a competition – called 'Life on the Road' – with entries including posters, stories, and poems designed to get people thinking about keeping safe on the roads.

Year four pupil Alfred was named as the overall winner, taking home a brand new BMX bike, with year five pupil Charlie and Molly, from year two, winning mini scooters.

Mayor of Bridport, Maggie Ray, who attended the school with her husband Martin, said: "The children were so enthusiastic, their hands were shooting up to answer all of the questions.

"They were really thinking about the dangers of the roads and I think they got a lot out of it. I'm so impressed with the school."

£1,000 in a day through two major charity events: a marathon for Save the Children and a musical concert for Children in Need.

Year Seven students took part in the annual Save the Children World Marathon Challenge raising almost £700.

Relay teams from as far afield as India, Canada and Kenya competed to beat the world marathon record, while raising awareness and money for vulnerable children across the globe.

The challenge is for students aged 11-13 to run the full marathon in individual sets of 200m with each child ending up running about a mile and a half in total.

The current world record is held by Kenyan Wilson Kipsang who beat the previous record this year by a staggering 15 seconds to complete the 26.2 miles in 2.03.23. Hinomaru House completed the challenge in the fastest time of 2.42.23.

Chris Dobson, chairman of the Bridport and Beaminster branch of Save the Children, described it as "a remarkable achievement in completing the marathon for Save the Chil-

### A magic box that keeps a child alive

o date, people of the world have donated more than £200 million for the Philippines victims of Typhoon Haiyan, of which more than £40 million has come from UK donors and another £50 million from the British Government.

In addition, the World Bank and the Asian Development Bank are giving £650 million in grants and emergency loans

But for the four million Filipinos who lost everything in the hellstorm, it will not be enough.

Why? Because coping with a natural disaster isn't just for Christmas – it takes years, years, for a devastated area to recover

And while the poor souls of Tacloban, the Philippines' worst-hit city, can probably get by for that long before KFC is rebuilt, they won't last a week without water.

In Haiti, aid agencies were still carrying in water *two years after* the earthquake of 2010 levelled the island and destroyed the clean water supply.

Clean water is the most essential relief wherever there is a disaster on the planet. Food and shelter run a close second but it's *water* that makes the difference between life or, as detailed below, a grotesque death.

The dangers of drinking waste water after a disaster should be obvious, but in case they are not, here they are: typhoid, cholera, e-coli, leptospirosis and hepatitis E; each one comes with a free ride to the morgue.

Devon, Dorset & Somerset Newspapers Limited, the publishers of this newspaper, have committed to a two-year charity campaign in association with the Rotary Club of Chelwood Bridge because there, at the little Somerset town of Midsomer Norton, they have ingeniously developed an ideal solution to this problem of how long it takes after a disaster for clean water to run through the pipes again.

It's called The Water Survival Box and it's just that – a plastic box crammed with all that you need to stay alive

Providing water for life

WATER SURVIVAL BOX

#### **By Geoff Baker**

after you have lost everything; cooking and eating utensils, basic means of shelter, all sorts of essential bits and bobs, and, most importantly, a simple water-purification system that will provide a family of four with clean water every day for a year. You can read more about it at www.worldwaterworks.org but it's simple — pour in waste water and clean water comes out, like magic.

The boxes cost £150 to fit out and send to disaster zones; a hundred and fifty quid to keep a family alive for a year.

Since Typhoon Haiyan struck, Chelwood Bridge's Hugo Pike and his team of tireless Rotarians have been working flat out packing and shipping Water Survival Boxes to the Philippines. But stocks are running low, and although donations are thankfully coming in, more and more boxes are going to be needed in the long time it will take yet before clean water is running again.

Because for us clean water is such a given, guaranteed to be always there whenever we turn on a tap, it is difficult to imagine life without it. It is harder still to imagine what it *feels* like to be without it.

But this is the reality of what happens when an earthquake, tsunami or typhoon takes out the water supply: Because of disasters, every 20 seconds somewhere in the world a child aged under five dies of dehydration. Let's count them as we explore what it *feels* like to endure the 7-10 days that it takes to die of thirst. Here's what doctors expertly say:

"As dehydration begins, you become very tired. You can't urinate easily and when you can your urine is dark brown; later, as it concentrates, you can't urinate at all and your bladder will burn. You want to cry but there is no liquid in you for tears.

'Then a severely-painful headache starts. Your mouth dries and becomes caked with thick saliva, your tongue swells and cracks, your eyes recede into their sockets, the lining cracks in your nose (ONE DEAD) and it begins to bleed

"You start to feel dizzy and then seizures begin. Your heart starts to race and so does your breathing, you are panting as your blood pressure drops. Terrible cramps attack your arms and legs, you cannot stand nor sit down. Your temperature rises, you feel very hot because you cannot sweat. You feel nauseous but can only dry-heave, and then the cramps painfully attack your stomach

"Your skin hangs loose, dries and becomes scaly, your muscles become spastic. Then, as your brain cells (TWO DEAD) dry out, you start convulsing. Your eyesight fades, thick secretions begin to plug your lungs, you struggle to breathe. You become more and more exhausted, you may hallucinate. Then seizures grip the body and you fall into a coma and your heart stops."

As Dr. David Stevens, a US physician who has seen thousands die of thirst during 13 years in Africa, says: "Contrary to those that try to paint a picture of a gentle process, death by dehydration is a cruel, inhumane and often agonising death."

Every day, (THREE DEAD) 4,109 children die of thirst like that because natural disasters like hurricanes, earthquakes and flooding have left them with no clean water.

That's 171 every hour, three a minute, dying like that. Every minute of every day, three children die like that;

tongue cracked, nose bleeding, convulsed in agony. Children are dying like that in he Philippines now, for want of a Water Survival Box.

As it happens, *right now* is the best time to donate at www.worldwaterworks.org because (**FOUR DEAD**) for a 13-day window from December 5-18 every £1 donated online will be doubled to £2 under an initiative by the Reed Foundation called The Big Give Challenge.

"What would you do if you'd lost everything in a disaster?" asks Hugo Pike.

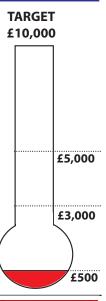

One answer, I suppose, would be to hope than somebody like you is reading this.

Because in six more seconds, a **FIFTH** child will have agonisingly died from the lack of clean water.

♦ In a bid to raise £10,000 over two years for Water Survival Box, we are encouraging our readers and local organisations in East Devon, South Somerset and West Dorset, where we distribute in excess of 40,000 papers every week, to organise an event for Water Survival Box.

Our staff are also planning a number of fundraising events and so far we have raised £500.

If you would like to organise an event, telephone James Coles on 01297 446155 and we will help promote your event in our columns.

### The Commercial Law Practice

### **Law Made Simple**

**THE** Bridport office of The Commercial Law Practice opened in July this year, building on the success of the Poundbury office, which opened in 2006

Saul Kelleher, Director at the Bridport office, is very grateful for the support received from the firm's clients and, more generally, from the Bridport community. The office has had a fantastic start, building on an existing client base and attracting new business, not just from the Bridport area, but from Beaminster to the north and Lyme Regis to the west. It is a small, personal office where clients are greeted and seen when they arrive. The firm does not believe that law should be "stuffy" and aims to be direct and straightforward at all times.

The Bridport office handles residential conveyancing transactions and specialises in property law generally. Saul Kelleher is a Solicitor-Advocate (Higher Courts Civil Proceedings) and specialises in civil and commercial litigation. He has built up a reputation for dealing with disputes generally, but in particular, property and boundary disputes, debt recovery, probate disputes, professional negligence claims, employment disputes and equine law. Between the two offices the firm offers a full range of services to its clients and its staff are always happy to see how they might assist any potential clients.

The Bridport office is looking to continue to grow its client base and its staff offering a free first consultation of 20 minutes where individuals can get direct, pragmatic advice.

### HOW SAFE IS YOUR CHILD'S CAR SEAT?

Join us for a free safety check -Monday 2nd December or Saturday the 7th 2-5pm Babygear Car Park, Gundry Lane Bridport DT6 3RL

BABYGEAR recently carried out a survey .on the safety of children's car seats. We found all car seats we checked to be suitable for the car they were in but over 80% were either too loose or parents had not adjusted the harness properly to accommodate the growth of the child. This was rectified immediately at no cost to parents. Each year over 200 children are seriously injured in their car seats., New regulations introduced in July aim to improve the safety of car seats. These will come into effect over the next few years and include recommendations that babies stay in a rearward facing car seat until they are 15months.

Surveys (including those done by the AA and car seat manufacturer Britax) show that over 60-80% of car seats are unsafe, They can be wrong for the car, wrong for the child or incorrectly fitted this is more common with those purchased on line. With Christmas approaching and icy roads imminent, Babygear are offering a free check every afternoon during the first week of December from 2-5pm.

We are happy to check any car seat from birth to 12 years. There will be no charge and the check should take approx.10 minutes.

For directions to Babygear and to see our latest offers on car seats visit babygearbridport.co.uk. Or phone 01308 422552

and Annabell Newman, who was Miss Dorset in 2012, came to the shop on Sunday, welcoming customers and lighting up the Christmas displays across the whole shop.

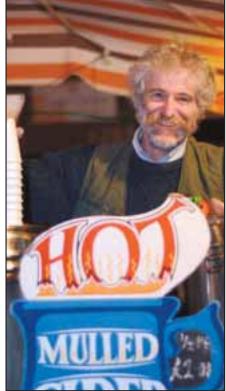

Vanessa Norris, owner of Lassels, was formerly a paralegal, and this is her first time running a shop.

She said: "We were walking past and saw the shop, put in an offer and it was ours. We sell lots of gifts and souvenirs, and right now we've got Christmas things in but in the new year we'll be changing – we're trying to keep it seasonal, obviously looking for more beach stuff towards the summer."

"There aren't a lot of shops down around here but we've been quite lucky because we have been busy even though we've only been open a number of weeks. We've even had regulars who keep coming back, they're lovely people."

Jackie Turner, who was crowned Miss England in 2003, said: "It's a lovely shop. I've been hearing lots about Broadchurch and the area, it's very famous. Being able to turn on the Christmas lights will help get into the Christmas

### Archaeology Lecture at Dorset County Museum

### Dave Parham will talk on The Swash Channel Wreck

LYING just off the Dorset Coast is a famous 17th century shipwreck known as the Swash Channel wreck. A Bournemouth University marine archaeology team has been studying the wreck since 2006 but are now so concerned at the rate of deterioration that they have decided to raise and preserve part of the hull.

The 40 metre long 400 year old vessel lies in approximately 7 metres of water next to the Swash Channel in the approaches to Poole Harbour. The wreck includes ornately carved timbers, the earliest still in existence in Britain, but as the sands shift and expose the timbers to the air, they are literally being eaten away by bacteria and tunnelling shipworms. Dave Parham, a Senior Lecturer in Marine Archaeology at Bournemouth University, is leading a team to save as much of the wreck as possible.

The plan is to remove some of the timbers and preserve them, whilst reburying the rest. It is not possible to cover up the entire wreck as it would create a shipping hazard in a busy channel. Once preserved, the remains will go on display in Poole Museum.

Dave Parham's talk will discuss the history of the Swash Channel Wreck project and bring the audience up to date with news on the most recent excavations and research.

The talk takes place on Friday, December 6th, and is free of charge but a donation of £3 is encouraged to cover costs. Doors open at 7pm and the talk will commence at 7.30pm. For further information please see www.dorsetcountymuseum.org or telephone  $01305\ 262735$ .

### **Treasure Island**

A Christmas treat for all the family

WHAT could be better as a Christmas family treat than a tale of Jim Hawkins, Long John Silver, pirates, parrots and treasure?

Robert Louis Stevenson's classic tale 'Treasure Island' comes to Dorchester Corn Exchange on Friday, December 6th and to Bridport Arts Centre Saturday, December 7th and is retold by Mike Kenny with a twist.

Mind the Gap theatre company has translated this well-

Mind the Gap theatre company has translated this wellknown tale into a mutiny played out in a supermarket where everyday objects are transformed as late-night shelf stackers let their imaginations run wild.

As modern-day and fantasy worlds collide, Flint's Supermarket becomes the scene for adventure where carrots into parrots and cut-loaves into cutlasses! Shopping trollies become ships, tin cans become parrots and checkouts become desert islands!

This coming of age story is truly for all ages, pirates and good-guys alike. Whether you're a young Cabin Lass or an experienced First Mate, who can resist an adventure on the Seven Seas?

A swashbuckling adventure, preformed by a cast of four professional actors, three of whom have a learning disability, that promises to be hugely entertaining! Tickets for Friday, December 6th are available from

# 'Autumn Voices' fundraiser concert to help give a voice to those most isolated

LOCAL charity Dorset Advocacy is marking the 'season of mists and mellow fruitfulness' with a fundraising concert at the Town Hall, Dorchester on Friday 29 November at 7.30pm. Acoustic music acts Tim Graham, Nick Parker and Clare and MattTarling will all be giving their time, music and songs to help Dorset Advocacy's *Got a Voice?* campaign.

Got a Voice? trains volunteer advocates to get to know and speak up for people who have dementia or learning disabilities, and have no family or friends to speak up for them. 'Advocates can make the difference between someone getting poor care, or that same person getting the help they need to live with dignity and hope,' says Development Manager Michael Pochin. 'Advocates visit people regularly, listen to them, and make sure they are getting the best help possible.'

Tim Graham is a Dorchester-born singer-guitarist who now works in Bath, whilst Nick Parker has had a long and varied musical career as a singer, guitarist, mandolin player and songwriter, and released the

album 'King of False Alarms' in 2010. Clare and Matt Tarling are a Dorchester duo whose fiddle-playing is always popular with local audiences.

Bar and refreshments will be available at the event. Tickets are £7.50 from Harmony Music, Dorchester and Dorchester Tourist Information Centre, or on the door. For more information call Dorset Advocacy on 01305 256893.

# Soulful Tribute to Art Blakey's Jazz Messengers

PIANIST Ray D'Inverno and his quintet featuring Tony Roberts on saxophone play the music of Art Blakey's Jazz Messengers at Bridport Arts Centre on Friday, December 6th.

Drummer Art Blakey's brand of bluesy, funky 'hard bop' was and continues to be very influential and his 'Jazz Messengers' were a mainstay of the iconic Blue Note record label. Many jazz greats performed in the group during its long career, notably Horace Silver, Clifford Brown, Lou Donaldson, Wayne Shorter, Bobby Timmons, Lee Morgan, Freddie Hubbard and Cedar Walton.

Art Blakey's ferociousness and tenacity while drumming earned him the nickname "the Tiger of Jazz". In later years he had a policy of encouraging young musicians to perform with the band, once remarking "I'm gonna stay with the youngsters. When these get too old I'll get some younger ones. Keeps the mind active." A notable one of these was trumpeter Wyn-

ton Marsalis.

Leading the Blakey tribute band is pianist Ray D'Inverno who has appeared on English and French TV, and regularly plays with his piano trio and Latin band "Mambo Santamaria". Saxophonist Tony Roberts has performed with many jazz luminaries including John Dankworth, John McLaughlin, Mike Gibbs, Kenny Wheeler and Ray Russell as well as appearing in lan Carr's "Nucleus" and Danny Thompson's "Whatever". Trumpeter Andy Hague is a regular on the Bristol jazz scene and has appeared with the legendary "Portishead". Completing the band are bassist BenTaylor and drummer Lee Miller.

This will be an evening of toe-tapping, soulful, swinging jazz which is not to be missed.

The tribute to Art Blakey's Jazz Messengers takes place on Friday, December 6th at 8pm. Tickets cost £10 from the Box Office on 01308 424204 or online at www.bridport-arts.com

### Return of the Fish Lizard ${\mathbb I}$

THE Fish Lizard of Lyme, the hero of a children's book by Carolyn King published earlier this year, makes a welcome return to his inspirational home in an up-coming ArtsFest exhibition at the Lyme Regis Museum's Rotunda Gallery. From December 4th until January 26th, Carolyn will be sharing her fascinating journey with the Fish Lizard across the borders between fine art and illustration in a show entitled 'Blurring the Boundaries'.

Firmly rooted in the fine art tradition, Carolyn first created the Fish Lizard as a sculpture. By later turning it into a children's book, her drawings and paintings for it became 'illustrations'. Yet this journey is also a story of Carolyn's development as an artist in a medium (egg tempera) now normally associated with fine art.

In this engaging and challenging exhibition, Carolyn will encourage us to think about the boundaries between fine art and illustration and whether these borders exist in the mind of the artist, the viewer or both. "Viewers respond differently to cartoon strips and abstract paintings," explains Carolyn, "while appreciating intuitively the qualities of line, colour and concept behind both. But how does the artist negotiate these boundaries? That's what I hope to highlight in this new

### **Parnham Voices** Christmas concert

PARNHAM Voices, the Beaminster based acappella choir, will be singing their Christmas concert at two venues; St. Mary's Church, Netherbury on Saturday, December 7th at 4pm and St. Mary's Church, Halstock on Sunday, December 8th at 3.30pm.

The programme will continue the highly successful theme of the their East to West season with Christmas music of different countries, periods and genre such as the motet O Magnum Mysterium by the American composer Morton Lauridson, an exciting blend of an ancient Matins chant and contemporary verve, the exquisite carol Chanson Joyeuse do Noel by the 19th century Belgian composer Francois Gevaert and three carols in German. English contributions include Rutter's 'Wassail Song' and to conclude the afternoon 'We Wish you a Happy Christmas', in which the audience can join.

'Blurring the Boundaries' is a continuation of the Lyme Regis ArtsFest-Museum initiative called re:collection, which is supported using public funding by the National Lottery through Arts Council England. The exhibition is open Wednesdays to Sundays from 11am-4pm. Please check the Museum website (www.lymeregismuseum.co.uk) for holiday opening times. ### Audi wins through in UK's largest reliability survey

AUDI is the UK's most reliable manufacturer according to the annual FN50 survey, which this year gauged the opinion of over 600,000 company car drivers served by the nation's

The FN50 survey, commissioned annually by the specialist fleet title Fleet News, is the nation's largest poll of vehicle reliability. It asks participants from the top 50 (by fleet size) leasing companies to rank the best vehicles and manufacturers for reliability, and then filters each category into a Top 10.

Two Audi models – the A3 compact hatchback and the A4 compact executive Saloon and Avant – appear in the Most Reliable Cars Top 10, the A3 ascending from seventh position last year to fifth in 2013 and the A4 from third to second place. The A1 premium subcompact, the Q3 compact SUV and the TT sports car also climbed the rankings in this year's results. According to the magazine's editorial it is these positive movements which have helped to swing the Most Reliable Manufacturer result in favour of Audi.

At the FN50 Awards, held last night in London, Head of Audi Fleet Sales James Douglas collected the Most Reliable Manufacturer Award on behalf of the brand, and commented: "Fleet managers and the drivers they serve have every right to be a brand's harshest critics because so much of their business life revolves around the cars chosen by, and for them, and they need to be able to count on them unconditionally. We are delighted that the key fleet-focused Audi models continue to uphold our reputation for quality and engineering excellence in the hands of drivers who arguably demand the most from them."

### Spread the cost of motoring with a Vauxhall service plan

uptake shows that an increasing number of customers are spreading the cost of their servicing and enjoying peace-of-mind motoring.

In 2012, sales of Vauxhall Service Plans increased 75 per cent against 2011. This year the uptake is continuing, with sales up 25 per cent.

Service plans allow motorists to spread the cost of their servicing by paying a fixed amount every month, so that when their car

been paid for in advance, including parts and labour and an advisory brake fluid change.

The latest Vauxhall Service Plan has now been released for ADAM, at just £15 per month for any model, over a two, three or four year period. The plans are inflationproof having been fixed at today's prices, as well as being interest-free, giving Vauxhall owners the very best value for money.

greater peace-of-mind, knowing that their servicing costs have been paid for upfront, avoiding a larger one-off servicing bill," said Belinda Craik, Vauxhall's Service Channel

"All services are carried out by Vauxhall trained technicians who know Vauxhalls best and the Vauxhall service stamp in the logbook will help to maintain the car's resale

### LYME REGIS 5 SHEPTON BEAU 0 LYME Regis cruised to victory over third-

placed Shepton Beauchamp with a scintil-lating first-half performance that produced two goals of the highest quality. The Seasiders dominated for the vast

majority of the game with 'keeper Chris Higgs virtually a spectator.

They took the lead after just 95 seconds when Mark Bailey's corner kick was flicked home at the near post by Joe Bond. The lead was doubled in the 16th minute

when a classy interchange on the left flank between Bond and Joel Gostling saw the latter square the ball across the area to the waiting Julien Simier who made no mistake from eight yards.

The goal of the game, and possibly the season, came seven minutes before half-

More one-touch intricate passing on the wing between Gostling, Sam Jones and Bond gave Jones the space to cross from the byline where Gostling swept the ball under 'keeper Rich Pippin.

The dreadlocked Pippin had a busy after

noon as the visitors' defence was scythed open time and again.

Towering pick-of-the-league centre-back Kris Hastings was pressed into action as a makeshift centre-forward but, other than his physical presence, there was very little

on offer from the Shepton front line.
The second-half was less than a minute old when Simier surged through to the angle of the box before guiding a low sidefooter into the far corner

Five minute later Jones popped up on the other side of the area and bent home a trademark left-footed curler into the bot-

tom corner past the flailing Pippin.
Lyme almost added a sixth on the hour when Bailey picked out Bond but his firsttime effort smashed against the crossbar.

The Seasiders manager Tim Edwards then took the opportunity to have a run out himself and also give a senior debut to 16-year-old Declan Ellis who looks to be a real prospect.

Given the state of the pitch at the final whistle Edwards said the club's decision to call off the previous week's home game against Millwey Rise was "fully justified".

### PERRY STREET 3 ILMINSTER RES 1

PERRY Street moved three points clear at the top with goals from Liam Riste (2) and Kev Rowson in a 3-1 win over Ilminster Town Reserves at Tatworth.

But Street player-manager lan Hilton is keen to play down any talk of his team being genuine title contenders, he said: 'We got a lot of injuries and two players have moved to London to work, so expect us to drop when we play the top teams.

"We have put in seven days notice for a couple of players but nothing has hap-

Ex-Chard Town Reserves' striker Greg Channing scored the Blues' consolation.

### W & M CHINNOCK 4 COMBE RES 2

THE Chinnocks' broke a run of three straight defeats and moved up into fourth spot with a 4-2 win over Combe Reserves at Oxleaze

Ash Lock (2), George Trott and Liam Bennett netted for the hosts with Wayne Behan and Jordy Allen replying.

### **DIVISION ONE CUP SF**

FORTON RANGERS 1 PERRY STREET RES 5 GOALS from Jay Stewart, Dan O'Connor, Josh Chadwick, Callum MacHattie and topscorer Dan Collins saw Perry Street Re

serves cruise past hosts Forton and book their place in the division one final. Lee Richardson replied for the Rangers.

(aet-Lyme won 3-2 on pens) LYME Regis Reserves up set the form book to clinch a place in the Division One cup final for the first time in 12 years after staging a gutsy fight back up at Lightgate Lane.

Petherton took an early lead when an unmarked Danny Rendell headed home from a free-kick.

The lead was doubled five minutes before the turnaround when a misiudged header from Wallace Blackmore fell to the prolific Jody Bovey who fired past Will Meech in the Seasiders' goal.

But there was still time for Lyme to grab a lifeline when a Ryan Fifer cross was handled by Paul Holt and Danny Thirlwell stepped up to smash the resulting penalty past 'keeper Andy Moody

Lyme manager Gerard Hitchcock made a double substitution 20 minutes from time introducing both Ben Morgan and Ben Strong. And the pair were to make a vital contribution deep into the seven minutes of injury time.

Morgan's corner was flicked on by Rhys Evans, another substitute, and there was Strong to nod home the equaliser.

Hitchcock felt his side had been on top

during the extra half-hour but they couldn't conjure up a winner and the teams were faced by the dreaded penalty shoot-out.

From here Meech took centre stage with three fine saves, including a stunner to deny former Lyme manager Karl Diment and it was Strong who converted the winning spot-kick in a 3-2 score line.

### DIVISION ONE BARRINGTON 2 UPLYME 2

UPLYME players and management were disappointed to return home from Shelway Lane with just a point after dominat-

ing for large periods.

An error by Uplyme 'keeper Lloyd Cleal gifted the hosts the lead. But they repaid the 'compliment' when the home gloveman allowed a long backpass to slip under his boot

The visitors took the lead in the 35th minute when Jake Bearnark Johhed home after being picked out by an incisive pass from Chris Plevey.
That's how it stayed butil the 76th

minute when the Uplyme backline was guilty of stopping while appealing for a handball decison that never came and Tom Perry tapped-in after an initial effort had come back off the crossbar.

### Pymore 3 Netherbury 2

equalising goal and winning penalty

DESPITE Pymore's poor run of form they started this local derby much the better team and pressured Netherbury all over the nitch

They deservedly went ahead in the 15th minute after 'keeper Mark Cuff reacted well to a wicked bounce but Adam Cody-Boutcher nipped in to beat Cuff to the rebound and tap home.

Netherbury's response was pretty much non existent and Pymore scored their second on the breakaway after Phil Hussey had a shot well saved by Pymore Charlie Youngs.

The resulting clearance found its way to Tim Hussey who crossed for Cody Boutcher to plant a header past Cuff.

After a dressing down at half-time the Ambers responded in the best possible way when Gary Corry scored with a thunderous shot from 25 yards that flew past Youngs inside 25 seconds of the restart.

Netherbury were lifted and continued to push for an equaliser. However, Cody-Boutcher pounced again for his hat-trick. When all the other players stood around watching, he raced onto a looped header to tap in unchallenged for 3-1.

This seemed to deflate the Ambers' come back, but they were gifted a way back into the match when Robbie Wayland drilled in a low cross, that deflected in off Dean Obstancias for an own goal.

The Ambers had Pymore camped in their own half in the last 15 minutes, with Martin Bull striking a free-kick just over the cross bar, Phil Hussey putting a free header wide from six yards and Ryan Gay's first time shot going wide of the post.

Stand in Manager Paul Cuff said: "Our

first-half display was shocking! We improved after the turnaround, but credit to Pymore as they defended their lead well. It's a big defeat for us and I hope we see a reaction in our next game'

### Blues break Sherborne's unbeaten run

view from sport

Sherborne 2nd 11

SHERBORNE 2nds came to the Brewery Field boasting a winning run of eight games, and for the for the first quarter of this match looked like they were going to make it After 11 minutes in the

Bridport half the visitors worked an unconverted try to left wing Steffan Hammelberg who went over in the corner, and Bridport did not cross the halfway line until the match was 20 minutes old. Disappointingly this was only a brief visit as they were soon pushed back down the field where Sherborne won a penalty in front of the Bridport posts. Their able standoff slotted the ball over for a 0-8 lead.

The Blues second effort into the visitor's half was more promising. Mike Pibworth led the charge from a tap penalty. The ball went quickly through four sets of Bridport hands only to be held up on the line. The resulting Sherborne scrum was pushed back to carry the ball over their own line giving a scrummage to the hosts. Number 8 Pibworth picked up at the base of the scrum and drove to the visitor's line to be held up and not re-leased by his tackler giving Bridport a penalty The home side chose to kick into touch very close to the Sherborne

won the line out allowing captain Dave Cutting to worm his way through a bar-rage of bodies to score. Rory Greening's convertion saw Bridport trail 7-8 at half-time.

The Sherborne domination the first quarter had melted away in the winter sunshine during the interval; their scrum imploding under Bridport pressure with Blues centre Will Haggerty putting in some bone-shuddering tackles.

Their pressure benefitted immediately in the second half when a Sherborne infringement in front of their own posts was punished by a Greening whose penalty gave the Blues the lead.

Soon after a large deer racing across the pitch surprise everyone: no one at the club ever recalling such an inci-dent before. This distraction seemed to let Sherborne back into the game with a penalty kick, enhanced by ten metres for backchat, to restore their lead over the Blues to 10-11.

The match levelled out over the second half. Front row changes saw Bridport scrum domination decline, and the flair of the first half was replaced by some dogged wrestling-style play at both ends.

However, Greening mastered two long-range penalties to close the match at wards was Palmers Wine Store Man-of-the-Match.

### Lytchett Minster 2nd 23 Bridport 2nd 17

BRIDPORT started brightly and it looked like the game could be quite one-sided as stand-off Tom Wren easily cut through the Lytchett defence and released Tony Dommett to score out wide.

Unfortunately Bridport failed to capitalise on this impressive start and got dragged into a hard slog up front with a much larger and heavier opposing pack.

Lytchett's forward domina-tion resulted in consecutive tries as they kept the ball tight and battered their way over the line for three almost

As the second half progressed Bridport eventually began to settle and play to their strengths.

Rob Parker ran the ball out of defence which led to some great interplay with Chris Lamb and Darren Brown, enabling Jamie Livingston to run in from the opposition 22 to score.

Then a few minutes later, quick distribution resulted in Callum Barnes making im-pressive ground down the wing until he was illegally stopped by a high tackle re-

sulting in a penalty try.

Now with renewed belief Bridport tried to run the ball at every opportunity but Lytchett were able to with-stand the onslaught to gain victory 23-17.

Bridport can take solace from the good rugby that they played to get back into the game in addition to the losing bonus point.

### Late goal denies Bees maximum points

WINTERBOURNE UTD 2 BRIDPORT 2

Toolstaion Premier – att: 33
BRIDPORT came within four minutes of victory at Winterbourne United on Saturday. Leading 2-1 they were looking get back to winning ways after their dismal defeat at Chard Town in the Les Phillips Cup midweek, when they were pegged back by a superb equaliser.

With a late arrival only allowing a quick pre-match warm-up, and playing on an unfamiliar artificial 3G surface, Bridport took time to get their game going, and Winterbourne dictated the opening exchanges forcing Bees keeper Sam Filkins into a couple of save from long range efforts.

Slowly the Bees got accustomed to the unfamiliar surface and they created probably the best chance of the game when Chris Senior having played a neat one-two found blazed over from 12 yards out.

It was Winterbourne who took the lead just before the interval when Ashley Staines having robbed his opponent 25 yards out, relinquished possession immediately, and the home player took a touch before firing a hard, low shot beyond Filkins into the corner

Bridport came out with purpose after the break and Ryan Dovell might have done better two minutes after the restart had he not placed his shot rather than use power after being put through which saw his shot fly high over the crossbar.

However, he grabbed the equaliser soon after when he was on hand to score at the far post after Matt Condliffe had worked his way to the byline before chipping the ball over the keeper.

Both then had chances as Bridport started to dominate the play as did Matt Morley who having broken through the home defence, hesitated and was hustled off the ball by retreating defenders.

Bridport's dominance was rewarded with a second goal when Dan Wise's free-kick was headed home by Tom Richardson at the far post,

It looked like the Bees would secure all three points, but Winterbourne found a second wind and started to come back into the game towards the end and grabbed an equaliser with four minutes re-

A right wing swerving shot hit the far post and rebounded out, and when Bridport failed to clear the ball cleanly, it fell to a home player on the edge of the box who hit a terrific shot just inside Sam Filkins post for the equaliser.

The Bees could still have won it in the dying min-utes when Richardson's side footed volley hit the

Chard Town 2 Bridport o

Les Phillips Cup R1 - 74
BRIDPORT surrendered their six-match unbeaten run with a poor performance at Zembard Lane where two second half goals from Sam Clark saw Chard Town progressed to the next round of the Les

The Bees looked a shadow of the side that has won five of their last six, failing to overcome a bumpy pitch, gusty wind and intermittent showers and a Chard side sporting a number of reserves.

Although neither side inspired in the first half, it was Bridport, kicking down the slope, who started brightest and Darren Watts had a shot blocked within 14 seconds of the start, whilst at the other end it took a smart tackle from Shane Evans to deect Ed Butcher's shot for a corner five minutes later.

Ryan Dovell then put his header just wide of the near post from Chris Luke's cross, whilst Ashley Weeks was forced to punch the ball away under pressure after Ben Haines cross had been deflected

The talented Clark might have done better on 14 minutes than to blast his 20-yard shot over the bar after neatly beating two defenders.

Matt Morley's speed down the left was causing

the Robins defence problems but for once a stream of crosses were easily picked off by the home de-fence in which central defenders Leigh Bailey and Jamie Underwood look solid. One long looping Morley cross however did cause 'keeper Jason Hutchings concern as he had to paw the ball away from under the crossbar.

Chard's experience at playing on their sloping pitch paid dividends as they broke with pace when they could, and Weeks was forced into a diving save low to his left from Butcher's 20 yard shot.

Goalless at the break, the Robins came out with much more drive in the second half using the long ball over the top of the Bees defence to great effect, and Mike McCormack fired a shot over the top from 25 yards when the ball broke to him early on.

A neat piece of football nearly brought Bridport a goal when Dovell's angled pass saw Morley just thwarted by Hutchings who raced out of the box to clear with a sliding tackle, before Dan Wise's left sided free-kick was headed off the line at the far

Butcher might have done better after cutting inside but finished with a weak shot past the post, before Clark after stepping inside tackles from Ashley Staines and Shane Evans, fired high over Weeks

However he was on the mark on the hour with a glorious strike to give Chard the lead. A long ball out of defence was just too high for Ryan Hater, and

Clark who was at his shoulder was immediately on it, hitting a glorious 25-yard volley over Weeks. With their tails up leading higher opposition, the

Robins were relentless. Hayter immediately had to produce a superb tackle to stop Nathan Warren shooting, before Butcher fired a 35-yard shot just wide of the left upright.

Bridport attacks were limited, but Jamie Barfoot did well to divert Luke's shot for a corner.

Manager Trevor Senior went for broke on 72 minutes by sending on all three substitutes, but within two minutes Chard had doubled the advantage.

Evans, who had been the one Bridport success on the night, failed to cut out a through ball and Clark drive his shot from the edge of the box just beyond Weeks right hand and into the bottom corner.

Bailey did head another Wise free-kick off his line late on, but Chard were in command and Andy Martin almost made it three deep into added time with an angled drive that hit the side netting.

### Ressies back in the saddle

**BRIDPORT RESERVES 2 WAREHAM RANGERS 2** 

THE saying goes that if you fall off a horse, the best response is to get back on immediately and that it appears is what Bridport Reserves did following their dismal display a week earlier when they were beaten in the Dorset Senior Trophy by Poole Borough Reserves.

Although they only earned a point in their match with Wareham Rangers at St Mary's Field, manager Robin Townsend was pleased with his side's reaction and felt they were a little unlucky not to have taken all three points.

"All in all that was 100 per cent better; it couldn't get much worse than last week though. We probably deserved all three points, but we made two

small errors and were punished for them. "It was good to have Sean Stewart back again a bit more energy and is not afraid to get stuck in."

Bridport started brightly and went ahead after 12 minutes when Stewart finished off a good team move by calmly firing into the bottom corner from 15 vards.

They continued to dictate and created one or two good chances, and Jack Scovell who had done well to reach the ball after being put through, just missed out on a one-on-one with the 'keeper

The Bees should have increased their lead midway through the half when Michael Hailu was pulled back as he was about to score after the Rangers' 'keeper had spilled a shot. However Ashley Clarke's woeful penalty flew a good yard wide of the

Heads appeared to drop at this point, and Nathan

"The lads were disappointed and their heads were down a bit at half-time," said Townsend.

However Hailu lifted their spirits immediately after the restart by once again latching on to a rebound after the goalkeeper dropped Scovell's shot; this time scoring instead of being impeded.

Bridport appeared in command until they switched off on the hour and David Best headed home from a corner.

Townsend added: "It appears we are being punished for the smallest of mistakes, whereby we don't take advantage when the opposition make errors.

"The game petered out after this with Wareham I think grateful for a point. I was disappointed that we didn't take all three points on the possession and chances we had, but in the end I was happy that we had stopped the rot.

"We now need to build on this and go on a run and build our confidence. There is no doubt we have the ability."

### **Team performance** sees Bridport home

BRIDPORT U14 3 SHAFTESBURY 2

FOR the second week running Bridport conceded an early goal; again after a early defensive mistake which gifted the visitors a dream start.

But that's where the similarities to last week ended, as the whole side stood up and performed like a team that deserves to wear the Bridport shirt.

Although they gifted a second after a mistake at the back after Sam Handyside had pulled them level, the home team never really looked too worried and just did what they do best; get the ball down and play.

Bridport looked strong with Henry Davey and Callan Lowden causing the visitors plenty of trouble, and with Harry Kirby dropping back into defence allowing Dane James to step into a rare midfield performance.

When the visitors did get a chance of a shot at the home goal keeper Jordan Scadding was at the top of his game pulling off some great saves to thwart the frustrated Shaftesbury strikers.

In the end it was Lowden that equalised to bring Bridport square before he scored the winner.

The whole team however deserve a pat on the back for never giving up and sending the visitors home empty handed.

The juniors' biggest event of the year finally took place after having had to be postponed for two weeks due to

Thankfully, there was hardly a breath of wind on the re-scheduled date with sunshine at the start of the match; a flat calm sea greeted the competitors although still guite coloured after the recent windy period.

A near record 42 competitors signed on to fish, consisted of 17 juniors and 25 adults.

The match is open to all friends, family and members of the club with some mums, aunties and grandmothers fishing for the first time in their lives, with the match a catch and release where all fish are weighed with legal-sized fish taking precedence.

West Bay member Hugh Rathbone took an early lead with a double-shot of small but perfectly formed flounder and extended his lead with rockling.

However another member Frances Kitchin landed a surprise thin-lipped mullet of 517g; a fish which set the standard and proved impossible to beat despite the best efforts of Rath-bone and Craig Horton landing several legal-sized rockling along with undersized wrasse, flounder and shannies.

The fishing turned out to be guite poor with only seven juniors catching, and only one sizeable fish between them. Ten adults managed to land fish and dominate the top five positions with top junior Aaron Chambers com-

### Senior happy with a point

Bees boss Trevor Senior was happy to bring back a point from Gloucestershire following their 2-2 draw with Winterbourne United.

After the disappointment of a 2-0 defeat at the hands of lower league opposition Chard Town in the Les Phillips Cup midweek on a poor surface at Zembard Lane, they had to acquaint themselves with the artificial 3G surface at Winterbourne.

Coupled with the fact they arrived an hour later than they should have due to piloting error of the minibus by the manager which left them little time to warm-up, it was no easy task.

As a result they laboured a bit in the first-half and fell a goal behind just before half-time, before improving after the break to take a deserved lead only to be pegged back by a superb strike four minutes from time.

Senior said: "The 3G pitch with its artificial surface was completely different to the Chard surface midweek, and having arrived late it meant we

the first-half and our crossing was poor from wide areas, I felt we were going too long and trying to go for the killer pass.

Senior's half-time team talk did wonders however as Bridport came out and dictated the game for 25 min-

"Our tempo in the first-half was also slow and so I told the lads at the break we needed to move the ball quicker and shorten our passing game which is what they did.

"We played some good stuff; knocking the ball around, and for a 20-25 minute spell bossed the game

"I suppose on the two halves probably a draw was about right; although on the chances we created in the sec-ond-half we could have won it; but their equaliser was a stunner.

"Just recently we seem to be con-ceding "worldy" goals; Sam Clark scored one against us at Chard and two of Buckland Athletic's three were outstanding.

He added: "That's five unbeaten in the league now; one defeat in eight overall. We'd like to finish by at least avoiding defeat against Hallen at St Mary's this Saturday, which would round off a good month for us."

Reflecting on the midweek defeat by Chard Town, a disappointed Bees boss said: "That was the worst we have played this season. We didn't compete and the game passed us by
